

# CASCADE

Baby Bundles

A charitable organisation dedicated to supporting babies from local families who are experiencing hardship by distributing new and pre-loved clothing, baby essentials and equipment.

## Can you help?

**We need new and pre-loved baby clothes and equipment; Moses baskets, cots, prams, buggies, safety gates, baby baths, high chairs, bouncy chairs, small toys, books etc.**

**Please contact us if you can help us to support another family in need.**

### Are you a Healthcare Professional?

We work in partnership with you: If you know a local family who needs our support, contact us on our website for more info & to make a referral request. We do not have direct contact with the families we help

### Could you knit for us?

We would love you to knit a cardigan, hat, jumper etc to include in our baby bundles: a truly personal touch that shows how much we care about the babies in our community.

Or, if you've got wool, needles or buttons you no longer need, please donate to us and we'll make sure we put them to good use. If you're unable to provide your own materials, we can help.

### Business Help

Can you help with storage, stationery, packaging, donations, or perhaps you have a better idea to help us. We would love to recommend/ thank you on our web & social media sites.

## Volunteers Valued, Wanted and Welcome

### Want to help out (in any way)
